

ANDREW MARTIN

Kingdom Storm

Fabric

Kingdom is a beautifully detailed animal design print fabric that will take you on a virtual safari. Woven and printed in the UK, we recommend pairing this fabric with our coordinating ticking stripe, Savannah, or plain weave, Trek, for a stylish, contemporary scheme.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
