Batik cotton block print in denim blue

This batik inspired block stripe print has subtle movement of both colour and tone, with a delicate fretwork structure. Combining rustic charm with modern style, this design will add a layer of sophistication to your home. Made of light cotton and linen material, this luxury fabric has a lovely, breathable finish, and with 35,000 rubs it is suitable for upholstery as well as curtains.

Printed in the Lake District using ECOFAST technology, a digital printing method which uses 50% less water than traditional techniques.

Part of the Pavilion Collection.
