

# ANDREW MARTIN

## *Maze Honey*

### Fabric

This orderly geometric represents the formal structure of a boxed hedge maze but is reminiscent of a decorative stone or bricked garden path. The two-tone design, in warm golden yellow with vibrant turquoise detail, makes this print easy to pair with any of the designs from our [Garden Path](#) collection.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.

### *Specification*
