## *Nest Lichen*

### Fabric

*Batik print fabric designed with Sophie Paterson*

A small-scale batik print on linen which reminds us of a loosely woven bird's nest and is based on an original Batik textile. Part of the **Woodland collection** designed in collaboration with interior designer, Sophie Paterson.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
