Peak Sandstone

Fabric

Peak's graphic zig zag design brings to mind the regimented peaks of Colorado's Rocky mountains. In a tonal combination of soft beige and off white, the thick horizontal zig zag is punctuated by a pattern of slim vertical lines giving a modern twist to the classic stripe.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
