

# ANDREW MARTIN

## *Petro Natural*

### Fabric

Prevu's 'Togetherness' logo takes centre stage in this graphic geometric design. Using a soft tonal colour palette the intricate motif is evenly repeated across the fabric and tied together with a linked linear pattern in a warm golden hue. Woven into a robust cotton linen mix Petro is a versatile cloth with a chic urban feel ideal for a range of interior projects.

Also available as a [cushion](#).

### *Specification*
