Villandry Forest

Fabric

Named after a 16th Century renaissance chateau in the Loire Valley, Villandry is a smooth and luxurious matte velvet in Forest green. It's magical stain and crease resistant properties mean its perfect for family living, making sure it continues to look as regal and majestic as it's namesake. Villandry is also supplied with a super light breathable backcoat which meets the UK's strict FR laws, so it's safe and ready to use for upholstery too.
