

# ANDREW MARTIN

## *Vine Denim*

Fabric

*Floral cotton small print in denim blue*

A sprawling English vine floral print reminiscent of the delicate flowering Jasmine. This blossoming design brings with it the joy of nature and the outdoors, as it climbs through your home. Composed of a light cotton and linen material, this luxury fabric has a lovely, breathable finish, and with 35,000 rubs it is suitable for upholstery as well as curtains.

Printed in the Lake District using ECOFAST technology, a digital printing method which uses 50% less water than traditional techniques.

Part of the Pavilion Collection.

## *Specification*

|                              |                             |
