## *Volcano Storm*

### Fabric

Volcano Storm is a bold yet elegant multipurpose ikat design fabric in moody grey. Woven and printed in the UK, we suggest pairing this fabric with our coordinating ticking stripe, Savannah, or plain linen weave, Trek for an informal, yet sophisticated look.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
