## *Wren Autumn*

Fabric

*Plain woven textured fabric designed with Sophie Paterson*

An intricately woven fabric consisting of wool, viscose and linen with a boucle slub yarn for added texture. Woven through the weft is a softly twisted rust-coloured yarn which gives the design its unique autumnal shade. Part of our **Woodland collection** designed in collaboration with interior designer Sophie Paterson, Wren is a truly beautiful textile which mimics the incredible nest weaving skill of this small woodland bird.
