

ANDREW MARTIN

Claiborne

Part of the Claiborne Collection, this piece alludes to a relaxed, casual aesthetic, constructed of open grain oak solids and veneers, featuring an architectural layered framed bedhead that graduates to give a multi-step shadow box look. Square tapered feet are finished in a satin brass that contrasts nicely against the quartered oak, in a weathered taupe finish.

Bed frame height - 43cm

Specification

Product Code:	BED0033
Product Height:	152 (cm)
Product Width:	163 (cm)
