Rivington

Pendant Light

Pendant ceiling light in charred copper

Hanging from a large thick black loop chain, Rivington features a multiple circle feature made from copper, which hangs down through the centre of the light and is surrounded by a drum base shade.

Ideal for a modern and contemporary design of home, this pendant light would also suit traditional décor and high ceilings. Offering a lovely soft glow, this is particularly suitable for dimmer lighting and could be positioned above a dining table.

Specification
