

ANDREW MARTIN

Stream Pendant Light

Pendant Light

This piece, designed in collaboration with Kelly Hoppen, has been hand turned from a single piece of marble, which appears almost translucent when illuminated to reveal the intricate mottled veining of the natural stone. The polished stainless-steel hardware contrasts perfectly to bring you a clean and modern ceiling light in a unique bar shape which looks perfect suspended above a dining table or kitchen island with between a 60cm minimum to 300cm maximum drop.

Specification

Product Code:	LMP0793
Product Height:	9 (cm)
Product Width:	106 (cm)
Product Depth:	9 (cm)
Product Weight:	16 (kg)
Recommended Bulb Type:	DEDICATED LED
Collection:	Signature
Assembly:	Assistance From A Qualified Electrician To Install Is Recommended.
Dimmable:	Yes
IP Rating:	IP20
Packed Weight:	18 (kg)
Boxed Dimensions:	128 x 25 x 36 - 20kg
EU Commodity Code:	94051990
Country of Origin:	Vietnam
