Klee

Floor Lamp

Floor lamp in natural brass and white marble

Designed by Sean Lavin, Klee is a floor lamp that features a modern minimalist design with clean, geometric lines inspired by the Bauhaus movement. Great for task lighting, a thin light guide panel with integrated LEDs is placed at the end of a 43" metal rod providing a warm glow of 2700K light. The illuminated arm rotates in each direction 35° to place light where you need it most. An integrated 3-step touch dimmer is conveniently designed to achieve your desired ambiance. Offered in two finishes on a White Marble base, Polished Nickel or Natural Brass that will patina over time.
