Luxury pleated lamp shade in sprig turquoise

This beautiful, pleated lamp shade is handmade by skilled London artisans, using our [Sprig Turquoise](#) fabric from the popular [Garden Path](#) Collection. A luxurious option to adorn your favourite lamps and wall lights in your home, this shade is highly resistant to fading in the light, ensuring that it will look beautiful for years to come.

The fabric is printed in the Lake District using eco-friendly methods that use practically no water, making it kinder to the environment.

Sprig comes in three easy to use sizes 10/14 and 16 inches, across 5 colourways in our [Primrose](#) Collection.

The 10" shade comes with a standard EU fitting with a reducer included should you need it. 14" and 16" shades have a duplex ring. For these two sizes we include a 4" shade carrier and a reducer allowing the shade to be simply placed on top and adjusted if needed.

We recommend the use of LED lightbulbs with any of our fabric lampshades.
