Klee

Desk Lamp

Table lamp in natural brass and white marble

Designed by Sean Lavin, Klee is a table lamp inspired by the Bauhaus movement with minimalist straight lines and a thin LED light guide panel set on a beautiful White Marble base. Great for task lighting, the Klee 18 Table Lamp arm rotates 35° in each direction to place light where you need it most. An integrated 3-step touch dimmer is conveniently designed to achieve your desired ambiance. Offered in two finishes on a White Marble base, Polished Nickel or Natural Brass that will patina over time.
