Table Lamp

*Rex table lamp by Timothy Oulton*

Swirl your senses with the show-stopping Rex collection. Strongly directed by Art Deco influences, Rex recaptures the magic and romance of glamour's golden age. The collection is inspired by the historic Rex cinema in England; a 1930s Art Deco gem boasting a beautiful auditorium with dramatic lighting. Saved from dereliction by a local entrepreneur, the cinema was restored to its former glory in 2004.

The Rex table lamp juxtaposes its raw iron frame with glowing prisms of optical grade glass, refracting the light in a perpetual dance of shimmer and sparkle. Vintage glamour, recast for today.
