

# ANDREW MARTIN

## Niagara

Wall Light

*Tall brass wall sconce with linen shade*

Everything just falls into place with Niagara. At over two-feet in height but only six-inches wide, this elongated sconce is an ideal choice for a tall, narrow wall space. A single flared, white Belgian linen shade provides a bright, clean up light, supported by a sleek metal tail finished in brass.

### Specification

---

Product Code:	LMP1584
