## Span

Wall Light

*Sleek contemporary bathroom wall light*

Span bath wall light by Sean Lavin is ultra-sleek and ultra-contemporary with its streamlined light bar and minimalist design. With integrated edge-lit LED technology, the plate of frosted acrylic is magically illuminated across the entire surface giving the appearance of light coming out of thin air. Works well installed horizontally above a mirror or as a pair vertically either side of a mirror. Span is fully dimmable to help create the desired ambiance in your chose space.

## Specification

Product Code:	LMP1881
