

ANDREW MARTIN

Outdoor Cover *Harlyn Sun Lounger*

Accessory

Each of our outdoor covers has been shaped with longevity, rain-resistance and practicality in mind, offering year round weather protection. Constructed from PVC-ST, a heavy duty material which is 100% waterproof, UV stabilised and tested to withstand temperatures of +60°C to -30°C. Strong, durable and long-lasting these covers are easy to clean and do not fade or bleach over time. Each cover has a 5 year guarantee. NB: One outdoor cover will cover 2 sunloungers stacked on top of each other!
