

ANDREW MARTIN

Dune

Bar Stool

Modern grey fabric bar stool

This sleek bar stool is given a modern silhouette thanks to its curved back with semi-circular cut out, and the matte black legs feature a useful stainless steel footrest for additional comfort. The padded seat and back are upholstered in our textured **Yosemite Granite** fabric with a stain resistant finish using AquaClean technology, making this an elegant and practical piece for your kitchen or dining area.

This stool is also available in any fabric of your choice. Please contact our furniture team [here](#) to place your order for a custom Dune bar stool.
