Zulu Metallic Powder

Wallpaper

Zulu Metallic Powder is a grasscloth wallcovering with a very fine, sisal and metal yarn weave on a grey paper. Grasscloth is one of the most versatile wallcoverings, complementing almost any style from tropical to rustic, traditional to contemporary and the metallic threading here adds an exciting, glamorous touch. As a natural material, roll pattern matching cannot be guaranteed but this only adds to grasscloth's intrinsic charm and richness, creating beautiful variegation on your wall.
